

# PLUMBING

## BECOME A CERTIFIED PLUMBER!

### ABOUT THE INDUSTRY

The plumbing industry includes a wide range of professionals who install, repair, and maintain pipes that carry liquid or gas.

### ABOUT THE TRAINING PROGRAM

This program combines classroom instruction, hands-on training, and practical experience to provide students with a well-rounded education in the field of plumbing. Learn the necessary knowledge and skills to pursue entry-level plumbing positions or continue your education through apprenticeship programs.
