### TIME COMMITMENT

6 WEEKS

### CLASS FORMAT

IN-PERSON

### EARNED CREDENTIALS

NCCER CORE CONSTRUCTION,  
OSHA 10, NCCER DRYWALL LEVEL 1

### ABOUT THE INDUSTRY

There is a great demand for drywall framers, gypsum installers, and finishers in commercial construction. You can start earning \$38,000 - \$42,000 with minimum experience.

### ABOUT THE TRAINING PROGRAM

Students will learn the skills for drywall installation and finishing, including wall and ceiling installation and placing insulation, soundproofing, and firestopping materials. Training will include safety and basics of drywall installer skills to prepare them for the hiring employers.
